D. PUBLIC COMMENT

Paul Nelson public comment read by Hiedy Torres:

I am Paul Nelson, a resident of Humboldt County. My address is (street address omitted from public record) Alton, Ca. My phone number is (phone number omitted from public record). I live adjacent to the north-south railroad tracks.

It is my understanding that the NCRA has been, or will be, directed to divest itself of all railroad assets, including rolling stock. One of those rolling stock assets is a railroad crane and flatcar, both located immediately south of the former Pacific Lumber Company mill in Scotia.

When the NCRA decides to divest itself of the crane and flatcar I am interested in purchasing them. If purchased, they would be relocated to my property in Alton and put on a permanent display, visible from Van Duzen Street.

E. INTRODUCTION – CALIFORNIA COASTAL CONSERVANCY – Karyn Gear

The Board was introduced to Coastal Conservancy North Coast Regional Manager, Karyn Gear, and expressed appreciation to the California Coastal Conservancy for the numerous trail projects it has completed on the north coast and throughout California.
