### RE: NCRA Commercial License Amendment

Dear Mitch,

As we have been discussing, our Humboldt Bay Municipal Water District would like to amend our current license agreement on the Annie and Mary railroad grade near our facility on West End Road. We would like to include undergrounding of some communication infrastructure (conduit and wire) under the existing access corridor contained in our current agreement and slightly increase the footprint for our structure in the original agreement.

Kindly review the attached agreement amendment and diagrams. Let us know if you have any questions. If not, please present to your board for consideration and possible approval.

Respectfully,

  
John Friedenbach  
General Manager

Within thirty (30) days after Licensee's completion of any remediation of the Premises, Licensee must deliver to Licensor a letter from the applicable Agency stating that the remediation was undertaken in accordance with all applicable Environmental Laws and that any residual contamination remaining after the remediation does not pose a threat to human health or the environment.

(ii) If Licensee or Licensee's Parties have caused or permitted a release of Hazardous Materials that results in or threatens to result in Hazardous Materials becoming present in, under, or about the Premises, threatens public health or safety or the environment, or is in noncompliance with any applicable Environmental Laws or requirements of Section 16, Licensor may demand that Licensee promptly take action in accordance with Section 16 (h)(i). If Licensee does not respond within thirty (30) days (unless there is an emergency, in which case Licensee must respond as soon as practicable, but not less than three (3) days), Licensor has the right, but not the obligation to enter onto the Premises and take all actions reasonably necessary to investigate and fully remediate the release or noncompliance at Licensee's sole expense, which sums will be immediately due and payable upon receipt of an invoice and will constitute additional rent under this Lease.

(i). an environmental assessment of the Premises to evaluate the environmental condition of the Premises and potential environmental liabilities and in accordance with Section 16(e);

(ii). all remedial or other work identified in the environmental assessment in accordance with Section 16(h) and all applicable Environmental governmental agency; and

(iii). all corrective, remedial, repair or other work necessary to correct any alleged violations, deficiencies, or hazards noted by any environmental, governmental agency; and

(iv). all steps necessary to terminate, close, or transfer all environmental permits, licenses, and other approvals or authorizations for the Premises or for activities, equipment, or conditions on the Premises, in accordance with all environmental Laws. Licensee will also obtain and provide to Licensor the written approval or verification of the satisfactory completion of the termination, closure, or transfer from each Agency with jurisdiction over the Environmental permit, license, or other approval.

(k). Indemnification.

(i) Licensee will indemnify, protect, defend, and hold harmless Licensor and Licensor's directors, officers and employees, agents, and each of their respective successors and assigns (individually and collectively "Licensor Indemnities") from all claims, judgments, caused of action, damages, penalties, fines, taxes, costs, liabilities, losses, and expenditures (the "Environmental Response Costs") arising (directly or indirectly) as a result of or in connection with Licensee's or Licensee's Parties breach of any prohibition or provision of this Lease, or the presence of any Hazardous Materials on or under the Premises during the Term or any Hazardous Materials that migrate from the Premises to other properties, as a result (directly or indirectly) of Licensee's or Licensee's Parties' activities, or failure to act where Licensee had a duty to act, on or in connection with the Premises.

(ii) This obligation by Licensee to indemnify, protect, defend and hold harmless Licensor Indemnities includes, without limitation, costs and expenses incurred for or in connection with any investigation, cleanup, remediation, monitoring, removal, restoration, or closure work required by the Agencies because of any Hazardous Materials present on, under, or about the Premises; the costs and expenses of restoring, replacing, or acquiring the equivalent of damages; all reasonable attorney fees; litigation, arbitration, and administrative proceeding costs; and reasonable expert consultant and laboratory fees.

(iii) Neither the written consent of Licensor to the presence of Hazardous Materials on or under the Premises, nor the strict compliance by Licensee with all Environmental Laws, will excuse Licensee from the indemnification obligation. This indemnity will survive the expiration or termination of this Lease. Further, if Licensor detects a deficiency in Licensee's performance under this indemnity and Licensee fails to correct the deficiency within ten (10) days after receipt of written notice from Licensor, Licensor has the right to join and participate in any legal proceedings or actions affecting the

Premises that are initiated in connection with any Environmental Laws. However, if the correction of the deficiency takes longer than ten (10) days, Licensor may join and participate if Licensee fails to commence corrective action within the ten (10) day period and after that diligently proceeds to correct the deficiency.

(iv) In that the NCRA has been a passive owner of the Premises and the Licensee has greater knowledge concerning the past and present uses of the Premises the parties specifically intend that NCRA's risk for environmental issues be limited to the maximum permitted by law, except as expressly limited in this Section. Accordingly, the foregoing indemnity shall apply to the above Environmental Response Costs arising out of or in connection with (1) Licensee's violation of this Section 16; (2) Licensee's willful misconduct, or negligence (notwithstanding any active or passive negligence of NCRA); or (3) any other cause, other than the willful misconduct or sole negligence of NCRA, irrespective of whether occurring prior, or after the commencement of the Term hereof.

(A). Licensee's Release of Licensor. Licensee on behalf of Licensee and Licensee's successors, assigns, and successors-in-interest waives, releases, remises, acquits, and discharges Licensor Indemnities from all claims, actions, causes of actions, demands, rights, damages, costs, expenses, or compensation, direct or indirect, known or unknown, foreseen or unforeseen, that Licensee now has or that may arise in the future on account of the physical condition of the real property; the Environmental Laws, including, but not limited to, the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, 42 U.S.C.A. §§9601 et seq., or their application to the Premises; or the existence or condition of any fill, excavation, or filled ground on the real property that may affect the use, maintenance, monitoring, or otherwise of any underground storage tanks or related equipment installed by Licensee or Licensee's Parties. Also, Licensee waives the benefit of Civil Code § 1542, which reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR.

### 18. Insurance

Workers Compensation. As required by Section 1860 of the California Labor Code (Chapter 1000, Statutes of 1965), or any subsequent amendments or successor acts thereto governing the liability of employers to their employees, the Licensee shall secure Workers' Compensation coverage with an Employer's Liability limit of \$2,000,000. Licensee shall insure the procurement and maintenance of such insurance by all contractors or subcontractors engaged on the Premises.

The policy shall include as additional insured the Licensor, the North Coast Railroad Authority, the successors and assigns of any of them, any railroad company operating on the Premises, and their respective directors, officers, employees, brokers and agents (collectively, "Insured"). The policy shall be primary and contain cross liability and severability of interest clauses.

The Insured shall be named as additional insured on said policy. The policy shall have limits of liability of not less than Two Million dollars (\$2,000,000) per occurrence, combined single limit, for losses arising out of injury to or death of all persons and for physical loss of or damage to or destruction of property, including the loss of use thereof, and a Five Million Dollars (\$5,000,000) annual aggregate shall apply.

Regulatory Compliance In addition to the requirements described above, Licensee shall maintain any other insurance that may be required by law, statute or governmental regulations.

Evidence of Insurance Prior to entering onto the Premises, Licensee shall file a Certificate(s) of Insurance with the Licensor evidencing the required coverage and endorsement(s) and upon request, a certified duplicate original of any of those policies. Said Certificate(s) shall stipulate:

The insurance company(ies) issuing such policy(ies) shall give written notice to the Licensor of any material alteration, cancellation, non-renewal, or reduction in aggregate limits, if such limits apply, and provide at least thirty (30) days notice of cancellation, Licensee shall, at least thirty (30) days prior to the expiration of such policies furnish Licensor evidence of renewal or insurance binders evidencing renewal thereof.

The policy(ies) shall also stipulate: Inclusion of the Insured as additional insured shall not in any way affect rights of Insured either as respects any claim, demand, suit, or judgment made,

brought or recovered against the Licensee. Said policy shall protect Licensee and the Insured in the same manner as though a separate policy had been issued to each, but nothing in said policy shall operate to increase the insurance companies' liability as set forth in its policy beyond the amount or amounts shown or to which the insurance company would have been named as an insured.

The insurance policy(ies) shall be written by an insurance company or companies acceptable to the Licensor. Such insurance company shall be authorized to transact business in the State of California.

19. Noise Levels Near Railroad Tracks

Licensee hereby recognizes and acknowledges that railroad tracks are located on or adjacent to the Premises, and that the operation of trains over the tracks does and shall produce noise levels, which may be considered objectionable by Licensee or employees, agents, sub Licensees, or invitees of Licensee. Therefore, Licensee agrees that no legal action or complaint of any kind whatsoever shall be instituted against Licensor on Licensee's behalf as a result of such noise levels including any claims of nuisance or trespass. Licensee shall indemnify and save harmless Licensor against any loss, damage, liability or expense either might incur as a result of such action being taken by Licensee's employees, agents, sub Licensees or invitees.

20. Reservations

Licensor hereby excepts and reserves the right, to be exercised by Licensor or by any other person who has obtained or may obtain permission or authority from Licensor, to (a) operate, maintain, review and relocate any and all existing pipe, track (if any), power, signal and/or communication (including without limitation fiber optic) lines and appurtenances and other facilities of like character upon, over or under the surface of the Premises, and (b) construct, operate, maintain, review and relocate such additional facilities of the same character on a manner that does not reasonably interfere with Licensee's use of the Premises.

21. Mineral Rights

Licensor also reserves for itself and those whom it grants such right the title and exclusive right to all of the minerals and mineral ores of every kind and character now known to-exist or hereafter discovered upon, within or underlying the Premises, or that may be produced there from, including, without limiting the generality of the foregoing, all petroleum, oil, natural gas, and other hydrocarbon substances and products derived there from, together with the exclusive and perpetual right thereto, without, however, the right to use or penetrate the surface of, or to enter upon the Premises within five hundred feet (500') of the surface thereof to extricate or remove the same.

22. Default

- a. Defaults. The occurrence of any of the following shall constitute a material breach and default ("Default") of this Lease by Licensee:
- (1) Any failure by Licensee to pay when due any of the Rent or other charges payable by Licensee;
  - (2) A failure by Licensee to observe or perform any other provision of this Lease to be observed or performed by Licensee when such failure is not corrected within ten (10) days after written notice thereof from Licensor; or if such failure cannot be cured within this ten (10) day period, as determined by Licensor in its

reasonable discretion, if such cure is not commenced within thirty (30) days of Licensors's written notice and thereafter diligently pursued to completion;

- (3) The abandonment or the vacation of the Premises by Licensee for a period of more than fifteen (15) consecutive days;
- (4) The happening of any of the following events;
  - a. The filing or institution by Licensee of any proceeding under the Bankruptcy Act and any amendment thereto, or any other federal or state act now or hereafter relating to the subject of bankruptcy, insolvency, arrangement, reorganization, or other form of debtor relief,
  - b. the institution or filing of any involuntary proceeding against Licensee under any of the aforementioned laws unless such proceeding is dismissed within thirty (30) days thereafter,
  - c. an adjudication of bankruptcy or a finding or judgment of insolvency of Licensee,
  - d. an assignment for the benefit of creditors by Licensee,
  - e. the levy of a writ of execution of the business of Licensee or the assets of Licensee located on the Premises which is not discharged within ten (10) days after the date of said levy,
  - f. or the appointment of a receiver to take possession of any property of Lease.

### 23. Remedies

In the event of a default by Licensee, Licensor may, at any time thereafter:

- (a) Cure said Default by Licensee at Licensee's expense. Licensee shall upon demand, immediately reimburse Licensor for the cost of such cure together with interest at the Interest Rate from the date of the expenditure therefore by Licensor until such reimbursement is received by Licensor.
- (b) Maintain Licensee's right to Possession in which case this Lease shall continue in effect whether or not the Licensee shall have vacated or abandoned the Premises, in which event Licensor shall be entitled to enforce all of Licensor's rights and remedies under this Lease, including the right to recover the rent as it becomes due hereunder as provided in California Civil Code Section 1951.4. Acts of maintenance or preservation, efforts to re-let the Premises, or the appointment of a receiver upon the termination of Licensee's right to possession. No act by Licensor other than giving written notice to Licensee will terminate this Lease.
- (c) Terminate Licensee's right to possession of the Premises by any lawful means, in which case this Lease shall terminate and Licensee shall immediately surrender possession of the Premises to Licensor. In such event Licensor shall be entitled to recover from Licensee the sum of all amounts set forth in California Civil Code Section 1951.2 (a), including without limitation, the worth at the time of award of the amount by which all unpaid rent for the balance of the term of this Lease after the time of award excludes the

amount of such rental loss that Licensee proves could be reasonably avoided, and all other damages incurred by Licensor by reason of Licensee's default including, without limitation, the cost of recovering possession of the Premises, and expenses of re-letting such as renovation of the Premises, and real estate commissions and finder's fees actually paid for such re-letting. The "worth at the time of award" shall be computed in the manner provided in California Civil Code Section 1951.2(b) or its successor statute. For the purpose of determining unpaid rent under this paragraph, the rent reserved in this Lease shall be deemed to be the sum of all then unpaid monetary obligations owed under this Lease.

- (d) Pursue any other remedy now or hereafter available to Licensor under the laws of California.

Termination of this Lease under this section or for any reason whatsoever shall not release either party from any liability or obligation hereunder resulting from an event which may have occurred before termination (including, but not limited to payment of all rent due but unpaid as of the date of termination), or thereafter in case by the terms of this Lease it is provided that certain things shall or may have to be done after termination hereof.

#### 24. Surrender of the Premises; Holding Over

- (a) Upon termination of this Lease, Licensee shall leave the Premises in a neat and clean condition satisfactory to Licensor and free of all personal property of Licensee. All repairs, Alterations and/or other improvements made by Licensee shall become the property of Licensor, provided that Licensor may, by written notice given to Licensee on not less than (10) days prior to the expiration of the Lease, require Licensee to remove any such Alterations and improvements from the Premises and to restore the Premises to their original condition (normal wear and tear excepted) prior to termination of this Lease. If Licensee fails to do so, Licensor may perform such removal and restoration work in which case Licensee shall pay Licensor within thirty (30) days after demand therefore an amount equal to the rent (as in effect immediately before termination) for the period during which such removal is accomplished to compensate Licensor for the loss of rent to Licensor resulting from the unavailability of the Premises for leasing to another Licensee during such time and (2) the cost of removal of such improvements. Licensor shall use reasonable diligence on the removal of such improvements.
- (b) If Licensee, without Licensor's written consent, remains in possession of all or part of the Premises after termination or expiration of this Lease, such occupancy shall be construed to be a tenancy from month-to-month, subject to the terms and conditions of this Lease, except that the Base Rent shall automatically increase to 200% of the Base Rent in effect immediately prior to such termination or expiration.

#### 25. Condemnation

If all or part of the Premises is acquired by eminent domain or by purchase in lieu thereof, Licensee shall have no claim to any compensation awarded for the taking of the Premises or any portion thereof, including Licensee's leasehold interest therein or any bonus value of this Lease, or to any compensation paid as severance damages, or for loss of or damaged to Licensee's Alterations or improvements, except as may be expressly provided in this Lease.

## 26. Assignment and Subletting

Licensee shall not assign or encumber or otherwise Transfer, as defined below, its interest in this Lease without the prior written consent of Licensor. Licensor shall not unreasonably withhold consent to any Transfer in the event the proposed sub Licensee or assignee meets Licensor's credit, business/qualification and reputation requirements and the proposed occupancy is consistent with the general character of the use permitted by this Lease. With respect to any such approved transfer, Licensor shall be entitled as additional rent for the duration of the Transferee's occupancy to an amount equal to fifty percent (50%) of the difference between the rent charged by Licensee to the proposed Transferee the then current Base Rent hereunder. For purposes of this Lease, the term "Transfer" means any assignment, encumbrance, transfer or subletting, change in more than 50% ownership interest or control of Licensee, or a reorganization or merger of Licensee by operation of law. As a condition to Licensor's consideration of any Transfer, Licensee will pay to Licensor, whether or not consent is ultimately given, Licensor's reasonable attorney's fees incurred in connection with each request for such consent. No Transfer, even with Licensor's written consent thereto, shall release Licensee from its obligations hereunder. Licensor's consent to one transfer shall not constitute its consent to any other Transfer, or a waiver of Licensor's rights hereunder. Licensee's Transferee shall agree in writing to be bound by all of the terms and conditions of this Lease that are to be performed by Licensee. Any purported Transfer in violation of this Section shall be void and constitute a default hereunder, and at the option of Licensor, terminate this Lease.

## 27. Damage

Scope of Damage Licensee shall notify Licensor in writing immediately upon the occurrence of any damage to the Premises, which makes the Premises untenable (a "Casualty"). Such damage shall be deemed partial if it can be repaired and the Premises made tenantable within 180 days and does not occur during the last year of the Term ("Partial Damage"). All damage other than Partial Damage shall be deemed to be total destruction ("Total Destruction").

Total Destruction In the event of Total Destruction, the Lease shall terminate as of the date of the Casualty ("Casualty Date").

Partial Damage In the event of Partial Damage, Licensor shall elect in a written notice to Licensee within sixty (60), days of the Casualty Date whether to restore the Premises, at Licensor's expense, to their condition prior to the Casualty Date. If Licensor elects to restore the Premises, Licensor shall diligently pursue such restoration to completion at Licensor's sole cost and expense, provided that Licensee shall be responsible for the restoration, at Licensee's expense of Licensee's fixtures, equipment and other improvements installed by Licensee. Upon such an election, this Lease will remain in effect. If Licensor elects not to restore the Premises, Licensee shall elect within thirty (30) days of receipt of Licensor's election whether to restore the Premises at Licensee's sole cost and expense. If Licensee elects to restore the Premises, Licensee shall diligently pursue such restoration to completion in compliance with the provisions of Section 10 above. Upon such election, this Lease will remain in effect. If Licensee elects not to restore the Premises, this Lease shall terminate as of the date of Licensee's election.

Licensee's Costs If Licensor restores the Premises, Licensee shall reimburse Licensor for the deductible or self insured retention under any of Licensor's Insurance and, if the Casualty was caused or contributed to by the Licensee or Licensee's Invitees, the excess of the costs to restore the Premises over the amount of the insurance proceeds from the Licensor's Insurance. Licensee shall have no right to any insurance proceeds other than proceeds that Licensee obtained with

respect to Licensee's personal property and fixtures. If this Lease is not terminated, the Base Rent shall abate in proportion to the Premises damage until the Premises are restored.

### 28. Barricades

Licensee agrees to install and maintain around the Premises the barricades, fences, and fence gates of a size and form satisfactory to Licensor at Licensor's request such locations as may be designated by Licensor at any time while this Lease is effect, all at Licensees expense and to Licensor's satisfaction.

### 29. Costs

Licensee shall pay the costs for review of the lease application, design and construction plans, preparation of the agreement, and any inspection of construction, including, but not limited to, expenses incurred by Licensor, which costs Licensee agrees to pay upon demand.

### 30. Attorney Fees

If either party brings any action against the other to enforce any provisions of this Lease or collect any sum due hereunder or if Licensor brings an action for unlawful detainer of the Premises, the prevailing party shall be entitled to recover its costs, including reasonable attorney's fees, in addition to any other remedies to which it may be entitled.

### 31. Miscellaneous Provisions

- a. Non Waiver. Licensor's failure to enforce or exercise its rights with respect to any provision hereof shall not be construed as a waiver of such rights or of such provisions. Acceptance of rent or any other sum shall not be a waiver of any preceding breach by Licensee of any provision hereof, regardless of Licensor's knowledge of such preceding breach at the time of acceptance of such rent; nor shall such acceptance be a waiver in any way of Licensor's right to terminate this Lease for any reason.
- b. Time of Essence. Time is of the essence of each provision of this Lease. Any reference to "days" shall mean calendar days except as otherwise expressly provided in this Lease.
- c. Entire Agreement and Amendment. This Lease sets forth the entire agreement between the Parties with respect to the leasing of the Premises and supersedes all prior and/or contemporaneous agreements, communications, and representations, oral or written, express or implied, since the parties intend that this be an integrated agreement. This Lease shall not be modified except by written agreement of the parties.
- d. Successors and Assigns. Subject to the provisions of this Lease relating to assignment, mortgage and subletting, this Lease shall bind the heirs, executors, administrators, successors and assigns of any and all of the parties hereto.
- e. Authority. Each individual executing this Lease on behalf of Licensee represents and warrants that he or she is duly authorized to execute and deliver this lease on behalf of Licensee, and that this Lease is binding upon Licensee in accordance with its terms. Licensor, as a condition precedent to this Lease, may require corporate or partnership resolutions as are reasonably necessary to establish the authority of Licensee to execute this Lease.
- f. Governing Law. This Lease shall be governed by and construed in accordance with the laws of the State of California as applied to contracts that are made and performed entirely in California.

- g. Captions. All captions and headings in this Lease are for the purposes of reference and convenience and shall not limit or expand the provisions of this Lease.
- h. Third Party Beneficiaries. The Indemnities specified in Section 9 who are not expressly parties to this Lease shall be deemed third party beneficiaries under this Lease for purposes of enforcing any rights to indemnification and insurance granted in Sections 14, 15, 16, and 17 of this Lease, and shall be entitled to seek attorney's fees and costs as provided in Section 29 above and dispute arising from the enforcement of said rights.
- i. Brokers. Licensor and Licensee are separately responsible for payment of any broker's commission or finder's fee incurred by that party's engagement or acceptance of the services of a broker or agents by said party. Licensor and Licensee agree to indemnify, defend and hold the other party harmless from and against any claims and suits made by any broker, agent or other person claiming a commission or other form of compensation against the other party by virtue of having dealt with Licensor or Licensee, as the case may be, with regard to this Lease.
- j. Counterparts. This Lease may be entered into in counterparts, each of which shall be deemed an original but both of which together shall be deemed a single agreement.

IN WITNESS WHEREOF, the parties hereto have executed, or have caused to be executed, this Lease on the day and year first above written.
