Subject: **Agenda Item E.1 – Discussion and Possible Action Regarding Letter of Support for City of Willits’ Rail with Trail Project Grant Application**

Approval of the attached letter would add NCRA to the list of supporters of the grant request by the City of Willits for a trail alongside NCRA right-of-way.

NCRA has supported the City’s past efforts to secure funding for a trail, similar to the trail in downtown Ukiah, which conforms to NCRA’s Rail with Trail Guidelines.

Staff Recommendation:

Endorse sending a letter of support for Willits’ request for funding under the state Urban Greening Program for a multi-use trail in Willits.
